Mid-Session Report
On Youth Development Initiatives

Join the New Mexico Youth Alliance members for a mid-session update on key youth development initiatives.

- What's on track? What isn't?
- How can we help these initiatives make it through to the end of the legislative session?
- What do we need to do post-session to ensure that new legislation and appropriations reach the ground as intended?

Stay for lunch and networking
(Lunch Provided)

RSVP by February 19th to:
Wendy Wintermute
